&
Thursday, February 5, 2015 – 6:30 p.m. – 8:00 p.m.

**Arnold Arboretum Visitor Center/Hunnewell Building
125 Arborway, Boston**

At the public meeting on February 3, DCR will seek community input on the potential addition of bicycle facilities along the Arborway between Eliot Street and South Street, including Kelly Circle and Murray Circle, with the overall goal of improving the comfort and safety for all users along the corridor while maintaining the historic landscape. During the meeting, the project team will be working with the community to develop proposed recommendations to improve safety and operations for all users along the corridor.

At the public meeting on February 5, DCR will present, and obtain public input on, preliminary concepts, based on a consideration of the input received at the previous public meeting.

DCR apologizes for the short notice on the rescheduling of the first meeting. Please be assured you will have an opportunity to provide input at an early stage in the Arborway bicycle facilities planning process at both public meetings.

The public meeting presentations and other related materials will be viewable after the meetings on DCR's website at <http://www.mass.gov/eea/agencies/dcr/public-outreach/public-meetings/>.

If you have questions about the public meetings, please call 617-626-4974 or email DCR.Updates@state.ma.us.
